

//Credit document

frostline[®]

How should images be credited?

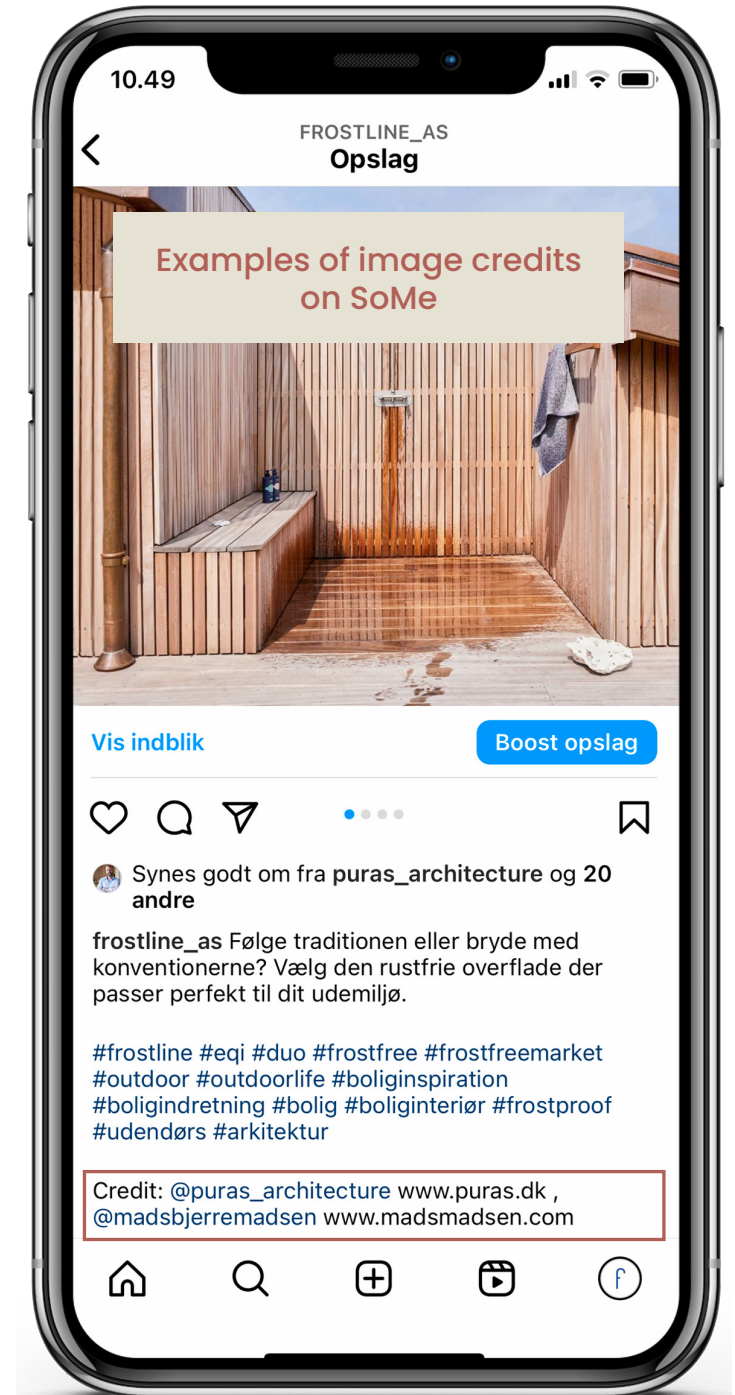

- The credit **MUST** contrast with the background.
- The credit **MUST** be black or white, depending on the background.
- The credit **MUST** generally be placed in the left corner.
- The credit **MUST** be in a size that ensures the text is readable.

Examples of image credits

How should images be credited on social media?

- If the photographer or architect has a profile on the relevant platform (you can find profiles where you find the image credit).
- Tag the respective photographer followed by a reference to their website.

Skanluxhuse / Sommerdrømme

On image:

Foto/photo: Skanlux Byggefirma A/S

Text:

Credit: Skanlux Byggefirma A/S - www.skanlux.dk/kampagne/sommerdroemme-paa-tv2

Sociale media:

Facebook: @SkanluxHuse

Instagram: @skanluxbyggefirma

Linked in: @skanlux-huse

Bemærkninger:

- Må ikke markedsføre sig på Sommerdrømme dvs. de må ikke skrive de er sponsor eller deltager i Sommerdrømme. De må gerne når produktet har været vist skrive "Så du vores bruser i Sommerdrømme. Vi er leverandør til Skanlux flotte sommerhuse, som du kan se i det spændende program"
- De må dele alle de opslag vi laver på sociale medier, men må ikke markedsføre sig på Sommerdrømme (som skrevet ovenfor) men må godt skrive noget ala "Som leverandør til Skanlux sommerhuse følger vi spændt med i Sommerdrømme"
